Explore your garden centre and see if you can find all 6 hidden mysteries. Each clue is waiting to be discovered somewhere around the centre. Let the search begin!

SEEDS

Choose your favourite vegetable - look at the packet to find out the sowing month and then find out when they will be ready to harvest/ enjoy for your dinner! How long is in between?

HERBS

Find three herbs and describe how they smell. How might you use them in the food we eat/ food you cook at home?

POTS

What is the smallest pot you can find? What is the largest? What might you plant in it?

GREAT GARDEN CENTRE MYSTERY

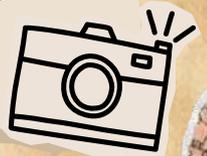

WATERING

How many different ways are there to water your plants? Can you find anything here that helps gardens save water?

INDOOR PLANTS

Which plant has the biggest leaves? Look at the care label, where might you put it in your own home?

TOOLS

Find the tools and find out their different uses. Which do you think would be most useful for planting your own garden?

Take a photo of yourself at the garden centre and let us know you've taken part in the Great Garden Centre Mystery. Once you've done that, you'll be entered into the draw to WIN a £250 National Garden Gift Card!
